OUR PURPOSE

Real-World Training for Gainful

Employment: We offer comprehensive real-world training programs that equip students with the skills and knowledge needed to excel in their chosen fields globally, ensuring a seamless transition into the global workforce.

Personalized Mentorship: Each student is matched with a dedicated mentor who provides guidance, support, and valuable insights, helping them navigate challenges and maximize their potential for personal and professional growth.

Facilitating Graduation and Work

Permits: We support college graduates by providing the necessary assistance to secure a mandatory attachment so they can graduate and get job opportunities, opening the door to promising careers.

CURRENT STATUS

Our status is marked by remarkable progress, substantial interest, and significant influence since our inception in February 2023. Our program has attracted more than 40 mentees and over 15 mentors, with these figures consistently rising. We have successfully established formal agreements with three universities in the Mt. Kenya Region through Memorandums of Understanding. We are in the process of finalizing agreements with an additional three universities within the same region.
